## LOLOI FAMILY CONTRIBUTES \$250,000 TO HALL OF FAME NEW HOME

The Loloi family has made a significant investment in the Hall of Fame Building Fund. The \$250,000 contribution names the Loloi Dynamic Story Wall, located in the Celebration Hall, where the industry will gather to connect, learn and honor. The wall will feature a 25' x 13' digital matrix of interlaced LED screens that can be programmed with photography and videos.

"Our family is devoted to the home furnishings industry," says Amir Loloi, CEO of Loloi Rugs. "We are passionate about the creative work that we do as a company and also that we are a fashion industry. With my two sons now involved in the business as our next leaders, we want to share our legacy with the industry that we love."
