Event details and the final guest count must be finalized 2 weeks prior to your wedding date.

What are the wedding coordinator requirements?

All other vendors must be licensed, insured and approved by venue management.

Is parking available?

The Parking Lot adjacent to our building offers plenty of parking. Handicap parking also is available.

All Bar Service must be provided by The Factory & Co. We do not allow alcohol to be carried in. Multiple packages are available to suit your event.

When may we hold the rehearsal?

We will schedule a 2-hour rehearsal prior to the ceremony. We also offer the option of a Rehearsal Dinner with our in-house caterer. Please ask your event manager for details.

Depending on your event, we offer several different spaces and environments. A tour is the simplest way for you to create the perfect setting for your wedding.

Can we bring in décor?

Yes, however it must be delivered and removed within the scheduled time of your event. We do not permit confetti, sprinkles, sequins, items that shed glitter; birdseed; rice; hay; fog machines; bubble machines; pyrotechnics; the use of nails, tacks or command strips; glue or staples to affix items to the walls or columns; lighted candles, sparklers or fire lanterns.

Weddings @ The Hall

About The Hall

The Hall of Fame was founded in Washington, D.C. in 1988, with the vision to one day build a permanent home that would be a place to gather, to honor and to learn. Opened in April 2023, it was meticulously designed by leaders of the \$150 billion industry based in High Point, the Home Furnishings Capital of the World™. Like your marriage, the Hall of Fame is eternal by its very nature: people will always marry, create homes, and need home furnishings to turn a house into their home. A true burning eternal flame soon will be installed outside at the front of the building as a symbol of the eternal nature of our industry and of the home as the heart of the family.
